

Become a Jubilee Donor

The difference you will make ...

- £10 will fund arts and crafts materials to enable children with autism to enjoy expressing themselves through creative, sensory and sometimes messy play.
- £50 will enable us to fund a specialist autism play worker to support children at our activity days.
- £100 enables us to offer face to face guidance and support to families in desperate need – for example via representation in the school, support with benefits and statutory bodies
- £500 enables us to run our free telephone help and support line for a week and to train staff and volunteers to man and respond to calls and deal with follow up needs.

To celebrate our 25th Jubilee Year we are launching a fundraising target of
£25,000:

Platinum Jubilee donor

£2,500 a year or £220 a month via Direct Debit

Gold Jubilee donor

£1,200 a year or £100 per month via Direct Debit

Silver Jubilee donor

£300 a year or £25 per month via Direct Debit

We, of course, welcome donations of all sizes so please support us in any way you can during our 25th Jubilee Year.

Benefits of giving:

All donors will:

- Become part of the Autism Concern family of donors, safe in the knowledge that your donation is enabling this vital charity to continue to support, advise and improve the lives of people living with autism.
- Be invited to our annual networking and thank you event where you can meet fellow supporters, the families we support, our trustees and team.
- Receive a 'Jubilee Thank You' certificate and, unless you prefer not, we will thank and name you in our marketing materials and on our website.
- Be updated on the impact your donation makes.
- Be listed and known as one of our Jubilee donors.

Corporate donors:

Businesses supporting Autism Concern may also wish to make the most of these additional benefits:

- PR collaboration to celebrate your support for Autism Concern, with a press release about your company's support, social media and a story on our website.
- The opportunity for staff to enjoy micro volunteering opportunities, for example mentoring, talking to and inspiring our young people and helping prepare them for the world of work.
